

Proposed Topics for Marijuana Regulatory Work Group

- Ideas to address transparency
 - Webpage where all marijuana documentation can be found
- Administrative changes
 - Assess application procedures
- Moratorium
 - For expansion applications
 - For new licenses
- Hemp concerns – including cross pollination
 - Issues include cross pollination, abandoned fields
 - Ideas of inspections, follow-up programs, education program, etc.
 - Look at indoor cultivation
- Normalization of rules
 - Look at rules for similar businesses to see how regulation compares, such as marijuana dispensaries and liquor stores
